Relieving fire in LZ and compromised.

051114 XT 409675

Relieving fire from M-LZ reported. C-6 was notified. Relieve fire from east, west south west and south east. Two automatic from east south, and south east. Single shots west and south west. Automatic weapons firing came from XT 413673-417675- small arms 405675-XT 409667.

Automatic weapon believed to be AK47. Single shots sounded like M-1 or M14. No VC were seen.

The LZ was 4ft high in grass the land was wet marsh, water standing in areas while walking would sink 3 to 6 inches in mud areas. Wood line trees 35 to 40 ft. high. Only way to move would be on foot, no type vehicles could move in area

Team extracted from XT 409675 051122
